## PRESS RELEASE

# ROSEVILLE SHOWCASES ENTREPRENEUR AND BUSINESS PERSON OF THE YEAR

ROSEVILLE, CA, January 27, 2010: GALLINA LLP participated as a sponsor at the sold out 2010 Annual Installation Dinner for the Roseville Chamber of Commerce on Tuesday, January 26, 2010 at Morgan Creek Golf and Country Club's Grand Pavilion. The dinner was host to community representatives and leaders including Assemblyman Ted Gains, District Supervisors, and Mayor Gina Garbolino. GALLINA LLP sponsored and presented the Entrepreneur and Business Person of the Year Award for their 16th consecutive year.

This year's Entrepreneur Award recipient is Myla Ramos of SearchPros Staffing LLP. Myla graduated with honors from San Francisco State University and is the first college graduate in her family. She comes from humble roots where her father worked as a janitor and her mother worked at Taco Bell. Like a true entrepreneur, this year's recipient decided to start her own company in 2005, with a folding card table, computer, phone, and overloaded surge protector plugged into the wall for what would be considered a "glorified supply closet." Myla has one of the fastest growing employment service companies in the country with a foundation built around "relationships built on success."

The Business Person of the Year Award recipient is Tim Herman of A+ Personalized Dental Care. Tim graduated from the University of California, San Francisco School of Dentistry. Shortly after graduating, he began working for his current company where he now serves as the managing partner

of four dental offices in Placer County. He is active in the City of Roseville as a member of the Parks and Recreation commission, committees for both the elementary school district as well as the high school district, and is involved with the Roseville Chamber of Commerce having been a past president. Tim was nominated because “he is as passionate about his business as he is about his community, and has a relentless pursuit to improve both.”

GALLINA LLP looks forward to their future involvement with the Roseville Chamber of Commerce to continue recognizing those who have successful business ventures. The firm strives to identify those who have been a cornerstone in the local community through awarding an annual Entrepreneur and Business Person of the Year. Last year’s Entrepreneur of the Year Award recipient was Hayes Barnard of Paramount Equity who is easily identified by his aggressive radio campaigns. The Business Person of the Year Award for 2009 was John L. Sullivan of Sullivan Automotive Group known in the industry for its successful dealerships.
